Certificate of Structural Design

Project: Event

Client: Pages Sales P/L

Elements: (Structures)

Australian Consulting Engineers have been engaged by Pages Sales P/L to assess the structural integrity of the tents structure used by pages sales P/L. We have reviewed the structural design of the above elements described herein, and that the design was carried out in accordance with the provisions of the Building Code of Australia and the relevant Australian Standards and the relevant D.A. Consent Conditions.

The basic codes used in the design verification are:

- AS 4100 (1998) - Steel Structures Codes.
- AS 1170.1 (2011) – Parts 1 and 2 Loading Codes.
- AS 1170.2 (2011)- Wind code
- AS 1644.1 (1997) - Aluminium Code

Yours Truly,

Australian Consulting Engineers Pty Ltd
